1.Thought of the month

"Effective language is clear, simple and well organized."
-Tanya Hutnik-

2. Web Portal coming up in August 2018.

We are working on implementing a web- portal in order to make digital transformation easier by September 1st, 2018.

Details on how to use "the portal" will be provided in a future newsletter.

3. Paid sick leave now the law in New Jersey.

It's relief knowing your children are set after you're gone but how do you provide some security for your adult disabled child?

You might consider creating a special needs trust for your child and funding it with a last-to-die life insurance policy.

Here are some groups that can help:

Academy of Special Needs Planners-

4. Paid sick leave now the law in New Jersey.

New Jersey has now joined several other states in passing a paid sick leave law. The law preempts paid sick leave ordinances adopted by several cities and towns so there is now one uniform law in this area for New Jersey employers. Here is what you need to know about the new law.

5. Law change affects moving, mileage and travel

expenses.

The IRS has provided information to taxpayers and employers about changes from the Tax Cuts and Jobs Act that affect move-related vehicle expenses, un-reimbursed employee expenses and vehicle expensing.

6. The impact of divorce or separation on your financial life.

There is a lot to think about when going through a separation, and it can be easy to get so focused on the concrete tasks, like paperwork, that you neglect the emotional aspects. Take the time to plan out your finances.
